

#1595297 Summer 2018 Finance Internship at At Home LLC

Summer 2018 Finance Internship

At Home, the home décor superstore, is one of the fastest growing retailers in America offering more than 50,000 on-trend products to fit any room, style and budget. At Home is dedicated to inspiring customers to create a home that reflects their unique personality and style, both inside and out. As a value-oriented fashion retailer, At Home gives customers a broad and comprehensive offering and a compelling value proposition, making it a leading destination for home décor. At Home is headquartered in Plano, Texas and currently operates approximately 150 stores in over 30 states.

The intern program with At Home offers talented college students an opportunity to develop leadership skills and gain hands on experience in working with a number of leaders to learn the retail business from one of the leading home decor retailers. Our 2018 Summer Internship program will have two start date options, either May 21 or June 11. Selected interns will be assigned to functional teams that align with their career path to learn day-to-day operations, increase their professional skills and comprehension of the overall retail business.

Key activities can include:

- Providing accurate and timely financial information to management (decision support, business planning).
- Partnering with other departments to develop profitability models for new projects and products.
- Analyzing and interpreting financial results and forecasts.
- Providing key business and financial guidance to the organization (budgeting and forecasting).
- Identifying and handling critical financial and business issues.

Knowledge Skills and Abilities:

- Business acumen and ability to partner with business leaders
- Results-oriented and results-driven
- Committed to quality and integrity
- High tolerance for ambiguity
- High initiative

- Collaboration and partnership acumen
- Teamwork skills

Technical Requirements:

- Strong PC and database knowledge and project/process management skills
- Understanding of accounting processes and principles
- Analytical skills
- Business application skills (e.g., Microsoft Excel, VBA, SQL)
- Written and verbal communication skills
- Familiarity with financial statements

Duration
