The Internal Revenue Service is the largest bureau within the Department of the Treasury. The mission of the IRS is to provide America’s taxpayers top quality service by helping them understand and meet their tax responsibilities and by applying the tax law with integrity and fairness to all. The Small Business/Self-Employed Division of IRS is currently looking to hire Tax Compliance Officers in several locations around the country to start in September 2016. Earn $32,318 - $75,567 per year while you gain valuable hands-on work experience in a world class Accounting and Tax environment!

The IRS has positions available in DFW and other locations nationwide.

Tax Compliance Officers plan and conduct audits related investigations of individual and business taxpayers, plus analyze taxpayers’ financial condition and related operations. Their duties may involve interviewing taxpayers and reviewing records regarding their tax liability, assisting in the resolution of both general and technical customer issues, conducting investigations of taxpayers who have underreported their tax liability, participated in fraudulent tax transactions, or who have not filed tax returns. They may also provide tax law and tax-related accounting educational assistance to other employees and the general public and tax practitioners.
