OxyChem Accounting Full Time Position
This is an entry-level position which initially focuses on a defined, yet challenging area, in order to give the accountant a strong foundation for increased responsibilities in the future. As time progresses, accountants will be introduced to additional areas and tasks within the department and company, including...

- Supporting plant controllers and performing multiple functions of cost accounting
- Inventory accounting and reconciliations including LIFO/FIFO calculations and analysis
- Physical inventory trips to plants/warehouses/terminals and subsequent analysis/reconciliation of the product count
- Performing sales & cost of sales analysis
- Analysis of monthly balance sheet and P&L account activity as well as cash flow analysis including preparation of working capital and other sources and uses
- General Ledger Accounting including payroll, fringe benefits, insurance, PP&E, cash and receivables
- Providing assistance with development and implementation of systems to streamline accounting functions and provide financial information for analytical purposes

Employer Description
Occidental Petroleum Corporation (NYSE: OXY) is an international oil and gas exploration and production company — one of the largest in the U.S., based on equity market capitalization — and our OxyChem subsidiary is a major North American chemical manufacturer.

Occidental Chemical Corporation (OxyChem) is a leading North American manufacturer of polyvinyl chloride (PVC) resins, chlorine and caustic soda – key building blocks for a variety of indispensable products such as plastics, pharmaceuticals and water treatment chemicals. Other OxyChem products include caustic potash, chlorinated organics, sodium silicates, chlorinated isocyanurates and calcium chloride. For every product it markets in the U.S., OxyChem’s market position is No. 1 or No. 2. Based in Dallas, Texas, the company has manufacturing facilities in the United States, Canada and Latin America.

Application Instructions
- Students must upload a resume and transcript to the campus career job portal in order to be fully considered.
- Once students have applied on the campus career job portal, they must visit www.oxy.com/careers/earlycareer to complete an external Oxy application. Please be sure to attach a most up-to-date resume and unofficial transcript.
- Candidates are required to complete an online application prior to interviewing with Oxy.
