*5 Students must take at least 3 non-accounting business electives in the program. It is strongly recommended that the electives include ACCT 5380 (ethics) and BCOM 5375 (business communications) to meet CPA exam eligibility requirements.

*3 Internship (ACCT 5399) may be counted as an accounting elective OR a business elective.

You can coordinate an internship with Ms. McGhee, and it may be counted as an accounting class by the Texas State Board of Public Accountancy.

*2 The math requirement will be waived based on satisfactory GMAT quantitative scores (30th percentile or better).

*4 A Maximum of 15 hours taken during the MPA program in the "Business Education" category may also serve as Degree Requirements' Business Electives. These hours must be graduate hours.

*4 International students can establish competence with appropriate TOEFL and GMAT Verbal percentile.

If deemed necessary, international students will take GESP to meet the English requirement.

*4 Students are required to hold an Excel expert certificate (Certiport or equivalent) in order to register for this course.

**Students may not take a course which has been waived on their program of work without prior approval from the Graduate Advisor.**
